TAKE CONTROL OF THE SPACE

New Dacia Sandero perfectly adapts to your life. And it has the resources, with its large boot and rear folding bench seat, to adapt the space to your requirements. It also comes with a lot of storage space: cup holders, door bin, closed glovebox and storage console that perfectly meet your organisational

requirements. The generous width at the shoulders for the driver and the leg room for passengers in the rear provide optimum comfort. New Sandero clearly offers a warm welcome.

SAFE EVERY STEP OF THE WAY

For Dacia, nothing is more important than constantly improving the safety of our vehicles, and most of all, that of the passengers. What with automatic emergency braking, hill start assist, six airbags (standard) and blind spot sensor, you can relax. New Dacia Sandero and Sandero Stepway provide everything you need for worry-free driving.

AUTOMATIC EMERGENCY BRAKING

Sometimes, concentrating and being reactive is not enough. You can rely on New Sandero to avoid or mitigate minor accidents. Automatic emergency braking detects collision hazards. If you don't react or if you don't react quickly enough, your system triggers and optimises braking.

BLIND SPOT WARNING

It's difficult to see everything when you change lanes. Equipped with side, front and rear sensors, your New Sandero warns you in the event of a risk of collision with another vehicle from the side or rear.

FRONT/REAR PARKING SENSORS AND REAR-VIEW CAMERA

In the city, all parking spaces are worth taking, even the narrowest ones. You will be won over from the first manoeuvre by the sensing device that warns you with an audible and visual signal as soon as an obstacle is detected at the front or rear of the vehicle.

HILL START ASSIST

No need to stress when you start on a slope! This function immediately prevents the vehicle from moving backwards when you release the brake pedal. You no longer have to grab the parking brake to help you; manoeuvring your vehicle is as easy as ABC.

DACIA SANDERO & SANDERO STEPWAY, JUST ESSENTIAL

DACIA SANDERO & SANDERO STEPWAY
WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 milesΔ after you buy your new Dacia.

DACIA CAR INSURANCE 1

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^Δ. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.
